## **Fellow Breeders and Farmers:**

**I**N presenting this, my tenth annual sale catalogue, I extend a cordial invitation to all Short Horn Breeders and lovers of good cattle to be with us on sale day. I wish to say that I am selling a clean, useful lot of breeding cattle in breeding condition. It is a great deal of pleasure to me to know the cattle sold in all my former sales have given the best of satisfaction wherever they have gone, and I am sure the cattle listed will do the same, as I am trying to sell a better lot than ever before. Would suggest to every farmer who is raising cattle that this is a very opportune time to buy a few females and gradually, by using pure bred sires, lay a foundation for a herd of Short Horn cattle.

You can sell every male calf at one year old at from \$75 and up, and by keeping the female increase and gradually dispose of your grades, you can in four or five years have a full herd of pure bred cattle that will furnish you both pleasure and profit, and you will not seriously miss the small amount invested. Less than two per cent of the cattle of the United States are pure bred, and on our high priced land those conditions must change. Now is the time, and here is the opportunity. In less than five years you will no doubt wish you had started sooner. I know of no field for investment that I could more sincerely recommend than to invest in pure bred cattle at this time. Hope to have the pleasure of your presence at sale.

## **Guarantee**

Cows with calf at foot, or showing plainly in calf, no further guarantee will be given. Cows and heifers sold as bred will be guaranteed breeders. We reserve the privilege of making good any loss in full or in part that may be sustained by purchasers of animals in this sale on account of such animals proving barren. It is not customary to guarantee show cattle and young animals under breeding age. Bulls are guaranteed breeders, if not allowed to run with breeding herd. Health certificates, as required for shipment, will be furnished.

### **Terms**

Cash or 6 months time will be given on approved notes bearing 8 per cent interest. Arrangements can be made with the clerk before sale. Bring your Banker's reference with you.

### **Bids**

Parties unable to attend the sale may send mail or telegraphic bids to either of the auctioneers in my care.

### **Take Notice**

On the day of the sale the Chicago & Great Western will stop both east and west forenoon trains on the farm, within a few rods of the barn, to let off passengers.

I wish to say a word as to what put me in the cattle business, or what put new life in it for me, and that was in starting to showing. I was lucky enough the first show that I ever made to win first on the only one animal that I had out to show, and from that day I have showed some every year and have always won my share of the ribbons. But the best of it is that the cattle that I have showed is cattle that I have raised and fed myself, and that is the kind of cattle I am going to sell, and these cattle will do as well for anybody else as they have for me, if they give them ordinary care.

**Auctioneers:**—Cols. Nelson Kraschel, Harlan, Iowa; Theo. Martin, Bellevue, Iowa; Scoty Milne, Kahoka, Missouri.

W. A. WICKERSHAM.

## INFORMATION

Parties from a distance attending the sale will be entertained at Hotel Melbourne.

Parties coming to Marshalltown on any of the roads, stop at Pilgrim Hotel as my guests and take the Great Western to the sale, as it stops at farm on day of sale, and so will the train from Des Moines, and will stop in the evening to pick up passengers.
